

# MONTESSORI CHILDREN'S HOUSE OF HAYWARD

## NEWSLETTER – APRIL 2024

### Kindergarten Room #4

Dear Parents,

Well, we marched through March and now we spring into April. Yet another month of fun filled activities in room 4.

### March Highlights:

As always it was very good to talk with each one of you at Parent/Teacher conferences. It helps us understand each child better so we can work towards helping them learn and move ahead. Thank you parents for taking the time to meet with me.

We had a brief celebration for St. Patrick's Day. We read books about St. Patrick's Day. Children enjoyed sewing rainbows, and weaving shamrocks.

Our egg hunt was a blast. The rain didn't stop us from having our egg hunt. Besides the egg hunt, a visit from "Fluffy" Lena's sharing was wonderful. Thank you Lena for sharing your little chick with all your friends.

### Coming up in **APRIL** :

In language children will continue sentence building and will learn the different consonant blends. In math we will continue with place value and continue money.

Earth Day falls on Monday, April 22. All week we will focus on our planet Earth.

In Zoology we will continue with birds, in Botany flowers . As I mentioned earlier, I am so happy to see the children taking care of their plants. In Geography we will travel to Europe.

Lastly, parents were very kind to ask if we needed anything in the classroom. Here are some items I can use in the classroom : **Scotch Glue sticks and lysol disinfecting wipes.** Thank you so much for asking. Your continuous support is truly appreciated.

Kavita Hakim
