

MONTESSORI CHILDREN'S HOUSE OF HAYWARD

NEWSLETTER – May 2022

Kindergarten Room#4

Dear Parents,

I hope you all are enjoying the beautiful work which the children are bringing home lately. It is a real pleasure to be in class. We had a very busy April.

Our kindergarteners had a good time making their Easter baskets and coloring eggs. Our Easter Egg Hunt was indoors due to the rain however, was very enjoyable for the children. Thank you parents for your donations and all your support .

Upcoming Events in May:

This year Cinco de Mayo falls on Thursday, May 5th. We will celebrate Mexican culture in our classroom on that day. If you have anything you would like to share about Mexican culture please do so. On Thursday, May 5th, children may come to school dressed in his/her traditional Mexican clothes.

In our cultural study, for geography we will be moving to Africa, in zoology we will study about mammals, and in botany we will study about fruits and vegetables.

Just a heads up, dear parents. Our Kindergarten graduation ceremony will be on Friday, June 17th. More information about the time to follow soon. Please remember to note the change on your calendars.
