

JUNE OF OUR CLASSROOM

LISA's class

Dear Parents,

It's difficult to believe that the end of the 2021-2022 school year has arrived! We have had an outstanding time with your children, and wish you all a wonderful beginning to your summer.

Summer allows us the wonderful opportunity to do the fun things that we can't do during the school year. Spending time with family and friends, cooking outdoors, camping and swimming are not only enjoyable, but can also be great learning opportunities for our children.

For those going on to Kindergarten or other programs, we'll definitely miss you and wish you well in the years ahead. We hope that you will stop by and visit from time to time. Once you are a part of the MCH family, you will always be a part of the MCH family! For returning children, we are already planning lots of great activities for next school year.

I personally would like to thank everyone for their enthusiastic support over this past school year.

Father's Day:

On Friday June-17, Children will be making cards for their dad for Sunday-Father's day.

Special event the last day of school:

On Friday June 17th at 12:30 PM we will be having celebrating graduation for all children in our classroom at conf ROOM. Children and families are then be welcome to attend our graduation. Please feel free to dress up your child and come together to receive the preschool certificate for school year 2021-2022. While observing social distancing, we'll be taking pictures to celebrate the event. (Mask required to enter our classroom).

I hope you all have a wonderful summer!
